

Call for Student Art – *Communicating through Graphic Design* 2nd Edition

Project Title	Description
A Design Team Project	Working as a Design Team or collaborative group, students create a print and digital ad campaign for a commercial product, a nonprofit organization, a college or trade school, or an existing company or product. In addition to the final print and digital designs, images of students working collaboratively are encouraged.
Student Gallery: Working as a Graphic Designer	Examples of student résumés and portfolios (print or electronic).
Student Galleries: Additional Student Examples	Any graphic design projects such as logos, posters, banner or space ads, publications (newsletters, books, magazines), websites, and motion graphics.
