"The Masters"
ARTIST SOAP

Pencils, paint, brushes, paper, etc are staples all artists rely on. Another "must have" product I always have on hand is "The Masters"® Hand Soap. It effortlessly cleans paint, messy mediums, and clay off my skin, plus the conditioning agents in it keep my hands from drying out. I also reach for this soap for all my day to day chore clean ups like yard work, gardening, restocking wood, car maintenance, and so much more! I highly recommend everyone try this amazing product.
